#### **Directors Club® United Kingdom**

Today's **Directors Club® United Kingdom** has its origin as a supper club in London's Mayfair.

The Directors' Dining Club, as it was known, had its home at Claridge's Hotel and brought together business leaders of the day to discuss trends and disruptive forces for change.

In February 2010, Jon Snow (founder and chairman) re-constituted the dining club as the Directors Club® and so a business lifestyle and networking institution was born.

The Club motto **To endeavour. To achieve** captures the spirit of the organisation and the ambitions of its members.

Membership is by invitation or recommendation.
