AGENDA

The Road to Cloud Maturity: Maximising the value of your investment and reaching your strategic goals

HOT-TOPIC BRIEFING

Discover what cloud maturity looks like, best practice for maximising your cloud, the art of the possible and how this supports your strategic goals. This briefing will be co-presented by [AWS](#) and [Nasstar](#).

- What does cloud maturity look like?
- Connecting the Cloud to key public sector goals, including those associated with: Sustainability, Citizen Experience, Employee Experience, Cost Savings, Collaboration, Innovation, Data-driven Decisioning, and Security/Compliance.
- The tangible outcomes of a mature cloud.

ROUNDTABLE DISCUSSION

We will discuss the role of your cloud estate in public sector modernisation.

- What digital transformation challenges are currently being addressed by delegates around the table?
- A group sharing of experiences building or assessing the business case for cloud maturity.

The Chatham House Rule will be invoked.

WHO

You will share the morning with a handpicked group of technology-centric leaders and stakeholders from significant public sector organisations.

FORMAT

Our Breakfast & Briefing has been designed to deliver learning, knowledge-share and networking. The agenda combines 30-minutes of hot-topic briefing, followed by 60-minutes of roundtable discussion.

Delegates will have the opportunity to network informally for 30-minutes either side of the agenda.

SPONSOR

This Breakfast & Briefing is generously supported by leading cloud provider [AWS](#) and cloud services specialist [Nasstar](#).

Our sponsors not only enable us to deliver community gatherings in aspirational venues, they also bring a wealth of insight and experience to the meetings. Through topic-setting, knowledge-share briefings, and peer-group discussion participation, our sponsors are central to our mission of member elevation and advancement.

We encourage delegates to engage with our sponsors during and after the event.
